The Plan being submitted complies with the standards, rules, and regulations of Augusta, Georgia to the best of my knowledge. Prior to final approval I will submit a statement by a registered engineer certifying that the site improvements are complete and in accordance with the approved plans and specifications, to the best of his knowledge, information and belief. This certification will be based on periodic observations of construction and a final inspection for design compliance by me, or a representative of this office who is under my supervision. I understand that a certificate of occupancy will not be issued by the Governing Body, until such final certification has been made.
